

FEATURED ALUM-A-LIFT MULTIFUNCTION LIFT WITH TOOLING CHANGEOUT CART

PROJECT 27725

MODEL A800CS-72

FEATURING Low profile legs, quick exchange adaptor, fork set, roller boom, swiveling crossbar, end-effector storage cart

HANDLING 390 lb [177 kg] rolls

DETAILS To service a variety of machines in a tight manufacturing area, this lift has multiple end-effectors and a quick-exchange adaptor interface. The accompanying storage cart allows an operator to change out the end-effectors rapidly and safely.
