

FEATURED ALUM-A-LIFT  
 ROLL HANDLING LIFT WITH PRONG SET AND PLATFORM

PROJECT  
**27777**

**MODEL** L200CS-72

**FEATURING** Adjustable width dual prong, removable UHMW platform, trapezoidal base

**HANDLING** 50lb [23 kg] Paper Rolls

**DETAILS** This lift uses its dual prong set to lift and load rolls from pallets to packaging equipment. The adjustable spacing between prongs mean a wide range of spool diameters can be picked from a flat surface, while keeping the core free and clear for easy loading.

For increased utility, the lift also includes a removable plastic platform, allowing the lift to perform a variety of secondary tasks.
